

## **First Tele-conference World Vegan Vision on Dec 18<sup>th</sup> @ 7.30 PM**

Shrenik G. Shah, MD is a practicing Internist in Bloomfield, NJ. Dr. Shah graduated from Gujarat Adani Institute of Medical Sciences in 1978 and has been in practice for 40 years. He currently practices in Shrenik G Shah MD and is affiliated with Mountainside Hospital.

He is profound believer of Vegan life style and practicing Vegan life panache more than 2 decades. He has delivered lectures on various topics of medical benefits using Vegan food. He is a President of World Vegan Vision (WVV), and we are fortunate to get his valuable time to share his experience to our WVV members.

He will deliver his first Tele-conference lecture on the following topics:

- 1) **How to start the Vegan life style journey?**
- 2) **Do and Don't for Vegan life style?**

Date of lecture: Dec 18<sup>th</sup> @ 7.30 PM

**Teleconference details:** 1-605-475-6333

**Participant access code:** 31437

Please attend the conference sharp at 7.30 PM.

Please send to your friends and family members to take the advantage of such valuable information sharing session.

Thanks & Regards

Debol & Nitin
